

#GOLDphin updates: University bids farewell to Dr. Kinne, alumni remain #JUStrong, and more.

Together we mourn the passing of Jacksonville University Chancellor Emerita Dr. Frances Bartlett Kinne, who passed away on May 10, 2020, at the age of 102. Known for her unquenchable optimism, her joy for life and her selfless service to others, Dr. Kinne was a guiding star for us at the University. Throughout her tenure and until her final days, Dr. Kinne was most proud of her connection with students, hundreds of whom she counseled and inspired year after year. She will be missed.

Stay tuned for a message later this week as we celebrate Dr. Kinne on May 23, which would have been her 103rd birthday.
