

Jacksonville University, School of Applied Health Sciences (SAHS)
Brooks Rehabilitation College of Healthcare Sciences
2018 -2019 Curriculum Committee

The purpose of the School of Applied Health Sciences (SAHS) Brooks Rehabilitation College of Healthcare Sciences (BRCHS) Curriculum Committee is to facilitate SAHS program and curriculum development, assure curriculum meets appropriate accreditation standards and provide oversight of all curricular activities. The committee will provide feedback, suggest edits and approve proposals prior to submission to the University Curriculum Committee. The BRCHS Dean will submit approved proposals to the JU Curriculum Committee. The committee shall be comprised of a faculty member from each of the SAHS programs. Each department in the SAHS will have a member represented on the committee.

Chair:

Dr. Kristen Izaryk , (SAHS, CSD)

Members:

Dr. Michael Justiss, (SAHS, OTD)

Dr. Carena Winters, (SAHS, KIN)

Dr. Whitney George, (SAHS, CMHC)

Dr. Brandi Gustavus, (SAHS, HI)

*Dr. Michelle Edmonds, (KSON) Not a voting member but serves as the curriculum liaison resource.
