

Student Involvement

Both graduate and undergraduate students are heavily involved in research in the Running Laboratory. In the past three years we have had 18 student presentations at conferences. We typically attend the annual conferences for the Southeast American

Recent MS graduate, Ryan Sloan, after his MS defense at our 1st Place Sports Laboratory with Dr. David Hooper and Dr. Jeff Wight.

Conferences

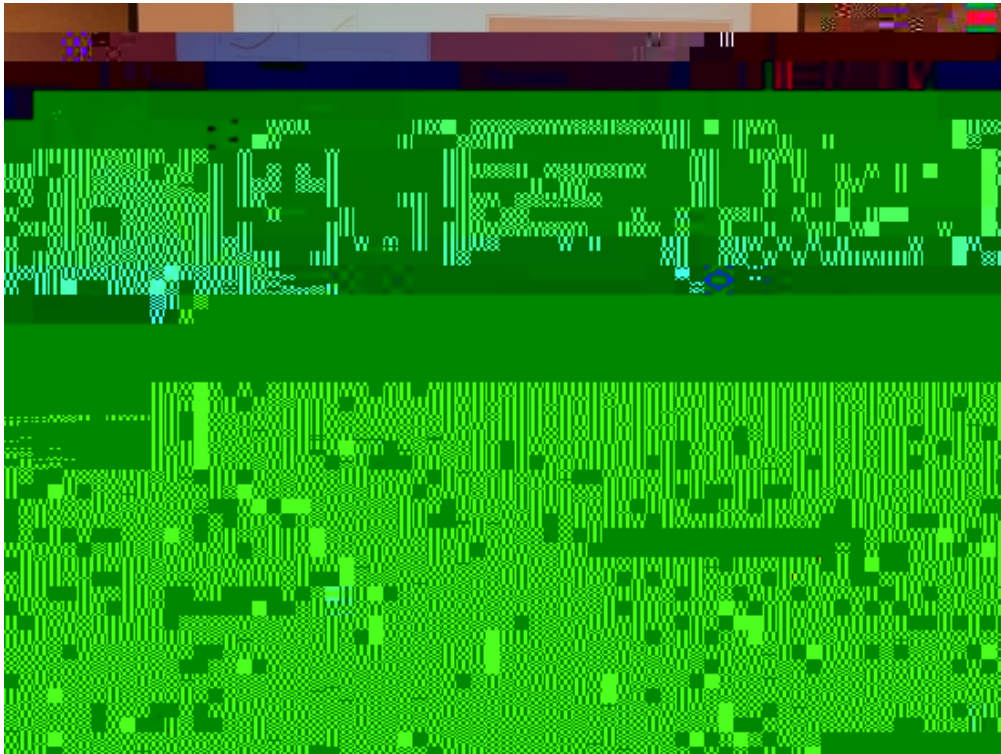

Our 2017 research team presenting data at SEACSM in Greenville, SC.

From the left:

- Dr. Chris Robertson, Associate Professor & Chair
- Jaclyn O'Loughlin, JU Kinesi

Undergraduate intern, Joel Harden, presenting a poster at the 2020 Southeast American College of Sports Medicine Annual Conference.

Undergraduate intern, Alex Turnock, presenting at the 2020 Southeast American College of Sports Medicine Annual Conference.

Jordon Garman presenting a poster at 2020 Southeast American College of Sports Medicine Annual Conference. Jordon is a recent MS graduate, our Running Laboratory Technician, and the men's cross-country coach at JU.
