Receiving and Using Disability Accommodations less lithcare Science students at Jacksonville University

Our primary goal is to provide the necessary support to any student with a disability and/or medical condition in removing barriers that could impact their academic success.

With that in mind, the Brooks Rehabilitation ollege of Healthcare Sciences has partnered with the Jacksonville University is ability Support Service SSOffice, to provide support for any student in their College.

In order to eceive accommodations, a student must go through the DSS registration process initially and then renew/request an updated letter every term.

The Registration process consists of the following steps:

- [™] Provide documentation about your medical condition and bisability to the Director of the Disability Support Service Slga Florez, of lorez@ju.e du
 - f This documentation cannot be any older than 3 years and must provide relevant information on the connection between theoretical and the accommodations requested.
 - f The medical provider can choose between a typed letterthead explaining the student's condition and how it may impatte studentacademically, as well as the
